

Dear Dr. Elfenbein, 10-5-09

Thank you so much for not charging me today for the "laughing gas". That was so kind of you. Along with everything that is going on my life you made this a very easy experience for me. I could never thank you enough for your patience and kindness towards me. Like I said this is a big fear for me and you put me right at ease. Even the girls who answer the phones are nice. And Natasha was very warm and comforting. Please tell Dr. Deblinger thanks for his patience as well.

Respectfully yours,  
Gillian [REDACTED]
