It's wonderful to be able

to count on your skillful care.

The way you're able to put

your patients at ease means a lot.

All you do is

appreciated so much.

Happy Holidays
You are the "BEST"

Dear Dr. Elfenbein,

I have been so busy with my mom being in the hospital and now at a facility for physical therapy, that I didn't realize the discount you provided to my bill.

I can't thank you enough for your generosity especially during these rough times with my mom and my husband being out of work.

Thank you.

Your kindness is greatly appreciated.
Thank you again.

Kindly,
Mary [REDACTED]

Dearest Dr. E,

I wanted to again say
Gracias for saving my tooth!
I really, really appreciate it!
