

of their duties and responsibilities.

Much good luck,

yours truly,
your patient,

Teresa [REDACTED]

Sept. 12, 2011

Dear Dr. Eflanbein,

You are an excellent and caring
endocrinologist. The best! It's a
pleasure to know you.

I feel very confident when I
enter your office. Your staff is very
professional and your office runs
with each nurse in complete control.
